READ THOROUGHLY AND INITIAL EACH ITEM:

_____ Upon submittal of this request, I agree to indemnify and hold harmless the Jefferson County Property Appraiser's Office and staff for actions, events, situations, or unintended consequences that may be the direct or indirect result of this request.

_____ I understand that by suppressing information, no data held in the records of the Property Appraiser regarding my name, my spouse's name, my mailing address, and the official record book and page number/instrument number of recorded documents related to my property, will appear on the Property Appraiser's website. The information provided on this request is itself held exempt from public records disclosure by the Property Appraiser; however, it may be released upon entry of a court order.

_____ I understand this request does not cover the blocking of my street address (same as situs, physical, or location), the legal description, or other information, such as property characteristics, within the Property Appraiser's records so long as my name or personal information otherwise exempt from inspection and copying are not associated with the property or otherwise displayed in the public records of the Property Appraiser.

_____ I understand the suppression of my information may present issues should I later choose to list my property for sale, refinance, shop for insurance, or attempt to pull permits for work performed to the property such as roofing, air conditioning, fencing, etc.; as most companies engaged in these industries rely upon data published in the public records of the Property Appraiser and it is my responsibility to retain copies of my deed and tax notices to supply to agents, contractors, or permitting agencies, for such purposes.

_____ I understand the Property Appraiser is not responsible for information contained other public websites, or on private business sites such as Zillow, or search engine sites such as Google, Bing, and Yahoo. Such sites may have previously obtained property information from this office, from a property data brokerage company, or may have previously scraped and cached property information.

_____ I understand that, if approved, my information will be redacted from the Property Appraiser's website during the next regularly scheduled update. Therefore, I understand that my information will be updated as timely as possible and feasible by the Property Appraiser. I understand it cannot and will not be removed from the site immediately upon submission.

_____ I understand this request is subject only to the information for which the Property Appraiser is the data steward and does not cover the blocking of my name and address from documents such as but not limited to deeds, mortgages, liens, permits, and notices, that are recorded in the public records of the Jefferson County Clerk of Court or held by any other government agencies, and which may be linked via a web link to or from the Property Appraiser's website. For suppression of documents held by any other agency, you **MUST** contact those agencies directly.

_____ I understand that information exempt from public disclosure under Florida Statute 193.074, is subject to the inspection and copying requirements of Florida's Public Records Law when it has been submitted by a taxpayer to a Value Adjustment Board as evidence in an assessment dispute.

_____ I understand that if I am a Magistrate, Private Investigator, or other, who is eligible for this records exemption only for the duration of employment, it is my responsibility to notify the Property Appraiser and submit a Request for Removal of Confidentiality should I no longer qualify under the statute.

_____ I understand that before my information may be released, I must provide a written, notarized, request that specifies the information to be released, along with a copy of my current photo ID. I understand that a co-owner may obtain information by providing a written notarized request and current photo ID that matches the name on record with the Property Appraiser. A co-owner will not be able to request the removal of the exemption from public records disclosure without a copy of a death certificate of the original applicant.

_____ Lastly, I understand that the Property Appraiser may release my name and mailing address, upon request, to a governmental agency having a statutory requirement for notification-to-owner, pursuant to Florida Attorney General Opinion 2017-05.
